AURIS AND
AURIS TOURING
SPORTS HAVE
STYLING THAT'S
SHARP AND BOLD.
WHICHEVER WAY
YOU LOOK AT IT

SLEEK, SPORTY AND... INSPIRED

The Auris offers not only a sleek design, but a balanced drive. Its sporty look and improved handling make it a dream to thread through city traffic and the lower nose and roofline reduce the frontal area, lowering the car's drag, producing improved fuel economy and emissions.

Flanked by bright LED daytime running lights and sporting the bold new Toyota 'family face', the Auris is confident and contemporary, low and sporty... and simply inspired.

COMFORT AND INNOVATION

All the ingredients for an engaging driving experience: the sporty driving position makes for a comfortable, responsive ride. In addition the advanced multimedia system covers everything from your favourite sound-track and assistance with parking*, to getting you to your destination courtesy of the navigation system[§]. And finally, Skyview[°] creates a uniquely bright and airy cabin atmosphere. Measuring 1553 x 960 mm, it's one of the largest panoramic roofs in its class.

* Standard on Icon, Icon *plus* and Excel grades.

EVERYTHING
YOU'D EXPECT
AND A LOT MORE

MUCH MORE SPACE. MILES MORE COMFORT

If space is what you're looking for, then look no further than the Auris. Designed for space, comfort and functionality the cabin has impressive legroom and Toyota's Easy Flat seat system means space is never an issue. With the Touring Sports boasting a seats-down luggage capacity of 1658 litres and clever features like a double level floor*, the Auris is designed to handle all your luggage requirements.

* Standard on Icon, Icon *plus* and Excel grades.

Interior shown is Auris Touring Sports.

AURIS WILL COST
YOU LESS TO
RUN THANKS TO
OUR ADVANCES
IN DESIGN AND
ENGINEERING

BETTER BELONGS TO THE CURIOUS... AND SO DOES VALUE

Auris is a clear expression of our belief that there is always a better way. It's an outstanding proposition for both private and business users, is fun to drive and cost-effective to run.

Leading the market with extraordinary emissions from 84 g/km CO₂* for the hatchback and 85 g/km CO₂* for the Touring Sports, and with fuel consumption figures up to 78.5 mpg* and 76.3 mpg* respectively, the Auris is a shrewd choice.

Auris makes sense for business users too, benefiting from as little as 11% BIK, and company car tax from £38 a month for a 20% tax payer. But it doesn't stop there: as a business owner you'll enjoy a 100%* first-year capital write-down allowance, so your business's taxable income is reduced by the full cost of the car in year 1.

* On Hybrid.

SKYVIEW FLOODS
THE INTERIOR WITH
NATURAL LIGHT
SHOWING OFF THE
PREMIUM MATERIALS

SEE THE LIGHT

It's called Skyview for a good reason. An option on the Auris*, this is one of the longest panoramic roofs in its class.

A sense of space and light are arguably the greatest luxuries in a car's interior – take a seat in the Auris and see for yourself. All that light illuminates a host of details that lift the interior well above the ordinary. The result is a more enjoyable and spacious driving experience.

* Icon *plus* and Excel grades only.

EXCEPTIONAL ROAD HANDLING

AURIS WAS TESTED
EXTENSIVELY ON
EUROPEAN ROADS
TO PERFECT ITS
SMOOTH RIDE AND
SHARP HANDLING

Auris is great to drive. It's engaging on a country road, refined on a motorway and quiet in the city thanks to Toyota's advanced petrol and diesel engines, and our world-leading hybrid technology.

The use of high-tensile steel cuts the car's weight and increases body stiffness which delivers responsive handling and impressive fuel efficiency. The low roofline helps to lower the car's centre of gravity for better handling and provides a sportier driving position, yet still allows for plenty of headroom.

Exceptional road handling in the Auris offers a more responsive drive and greater high-speed stability.

BRITISH QUALITY AS STANDARD

Auris is built in Britain and comes with a 5-year, 100,000-mile Toyota warranty. The car embraces Toyota's total commitment to quality, durability and reliability.

The Auris is made at our Burnaston plant, which has built over 3.25 million cars since 1992. The UK was Toyota's first European manufacturing operation and has since benefited from an investment of more than £2 billion.

And there's more to our 'Built in Britain' story. Burnaston exports to 56 countries and is not the only UK Toyota factory. Like every Toyota plant across the globe, Burnaston and Deeside apply the famous and much-copied Toyota Production System to ensure world-class quality and reliability. In 2003 it was also the first British plant to stop sending waste to landfill.

A world of information and entertainment at your fingertips

Welcome to your new
TOYOTA TOUCH® 2

Toyota Touch® 2 multimedia system with an all-new interface features an easy-to-use high-resolution colour touch screen with drag and flick capabilities. With standard features like Bluetooth®, MP3 and iPod® connectivity as well as a multimedia management function, you'll never get bored on a journey long or short. In addition, the standard rear-view camera function helps to take the stress out of parking and allows you to park easily and safely.

TOYOTA TOUCH® 2
WITH **GO**

Toyota Touch® 2 with Go adds enhanced full-map navigation and class-leading connected services. Intuitive navigation provides clear visual display of signposts, junctions and lane guidance as well as speed limit and speed camera warnings. Toyota Touch® 2 with Go delivers breakthrough connected services through its wide range of apps. All apps are pre-installed and will be provided free of charge for a 12-month period.

Discover a world of innovative services:

Breakthrough connected services are pre-installed in your system (Toyota Touch® 2 with Go) and are free for the first 12 months.

TOYOTA ONLINE

Toyota Real-Time Traffic powered by TomTom

Works on real-time traffic flow, alerting you to slow moving or queuing traffic, with the option to re-route your journey to avoid congestion and save time.

TRAFFIC MONITOR

Provides a clear visual display of any traffic incidents or congestion along your route, estimating any delay to your journey.

DETOUR OPTION

Offers specific information about traffic incidents along your route and suggests a detour option to save you time.

DETOUR INFORMATION

Gives you on-screen graphic information of a detour, along with the delay and additional mileage incurred compared with your current route, for informed journey planning.

Google Street View™ and Panoramio™

Provides imagery of your current location, or a location of your choice, allowing you to start navigating directly from the image, so you'll never be lost.

GOOGLE STREET VIEW™

Simply enter an address for a visual preview of any unknown destination. Six different Street View images offer a panoramic view to familiarize you with the location and promote peace of mind.

PANORAMIO™ MAP

Maps city landmarks and places of interest to help you discover a new city easily and effortlessly. Simply choose your location of interest from the images shared by the Panoramio™ community.

PANORAMIO™ IMAGES

View the full image of your chosen location and let the navigation system guide you there, taking all the stress out of visiting unfamiliar places of interest.

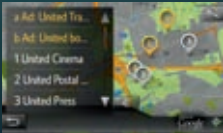

Online Applications

Activate apps on your Toyota Touch® 2 with Go to keep you informed of everything from the weather, to fuel costs and available parking places, helping you to drive safely and more economically.

Online Local Search

Point Of Interest database enhanced by an online search facility. Connects to the internet via your phone, allowing you to search easily for the nearest fuel, restaurant, hospital or any type of place of interest.

Toyota Online services available on Toyota Touch® 2 with Go. Availability of Toyota Online services depends on compatibility with a Bluetooth®-equipped mobile phone (with DUN or PAN Bluetooth® profile) with a data plan. It also requires a mobile network operator that permits tethering.

OUTSTANDING COMFORT AND PRACTICALITY

Whether as a hatchback or Touring Sports, the spacious Auris is both comfortable and tailored to your needs with plenty of head- and legroom, clever storage solutions and ample boot space.

Auris hatchback

Luggage capacity

Seats up: 360 litres

Seats down: 1200 litres

Auris Touring Sports

Luggage capacity

Seats up: 530 litres

Seats down: 1658 litres

① Easy flat system

No need to remove the headrests, no sequence of levers to pull. The one-touch folding function helps create a flat loading area in an instant.

② Double floor*

The luggage floor can be lowered to maximise the loading capacity, or raised to form a flat floor level – perfect for keeping the load compartment neat and tidy. Use it to keep items away from prying eyes or to store the tonneau cover. It also helps you load taller items, whilst keeping the tonneau cover in place.

③ 2-way tonneau cover[§]

This cleverly designed tonneau cover can be slid upwards along the rear pillar to ensure it does not obstruct when loading or unloading. It can be retracted partially or in one movement and fits neatly under the double floor. It's also ideal for covering tall items.

④ Partition net[§]

To protect passengers from moving items, the retractable partition net can be easily fixed in two positions: with seats up or down, behind the front or the rear seats. It simply slides into position behind the seats, rolls up and can be easily attached to the roof.

* Icon, Icon *plus* and Excel grades only.

[§] Touring Sports only.

PETROL, DIESEL OR HYBRID?

This is a car for those who believe that better is always possible, and the class-leading range of three powertrains illustrates the point perfectly. The sophisticated Hybrid Synergy Drive® model, with its 1.8 litre petrol engine and powerful electric motor, delivers a

remarkable combination of responsiveness, low fuel consumption and reduced emissions. There are also two highly advanced petrol engines, plus a refined and economical diesel option.

HIGH SAFETY STANDARDS

The Auris maintains Toyota's high standards in safety, achieving a 5-star 2013 Euro NCAP crash-test rating. It is equipped with all these safety features:

① **Anti-lock Braking System (ABS) and Electronic Brake-force Distribution (EBD)** both help maintain control. ABS prevents the wheels from locking when braking. EBD optimises the brake force on each wheel.

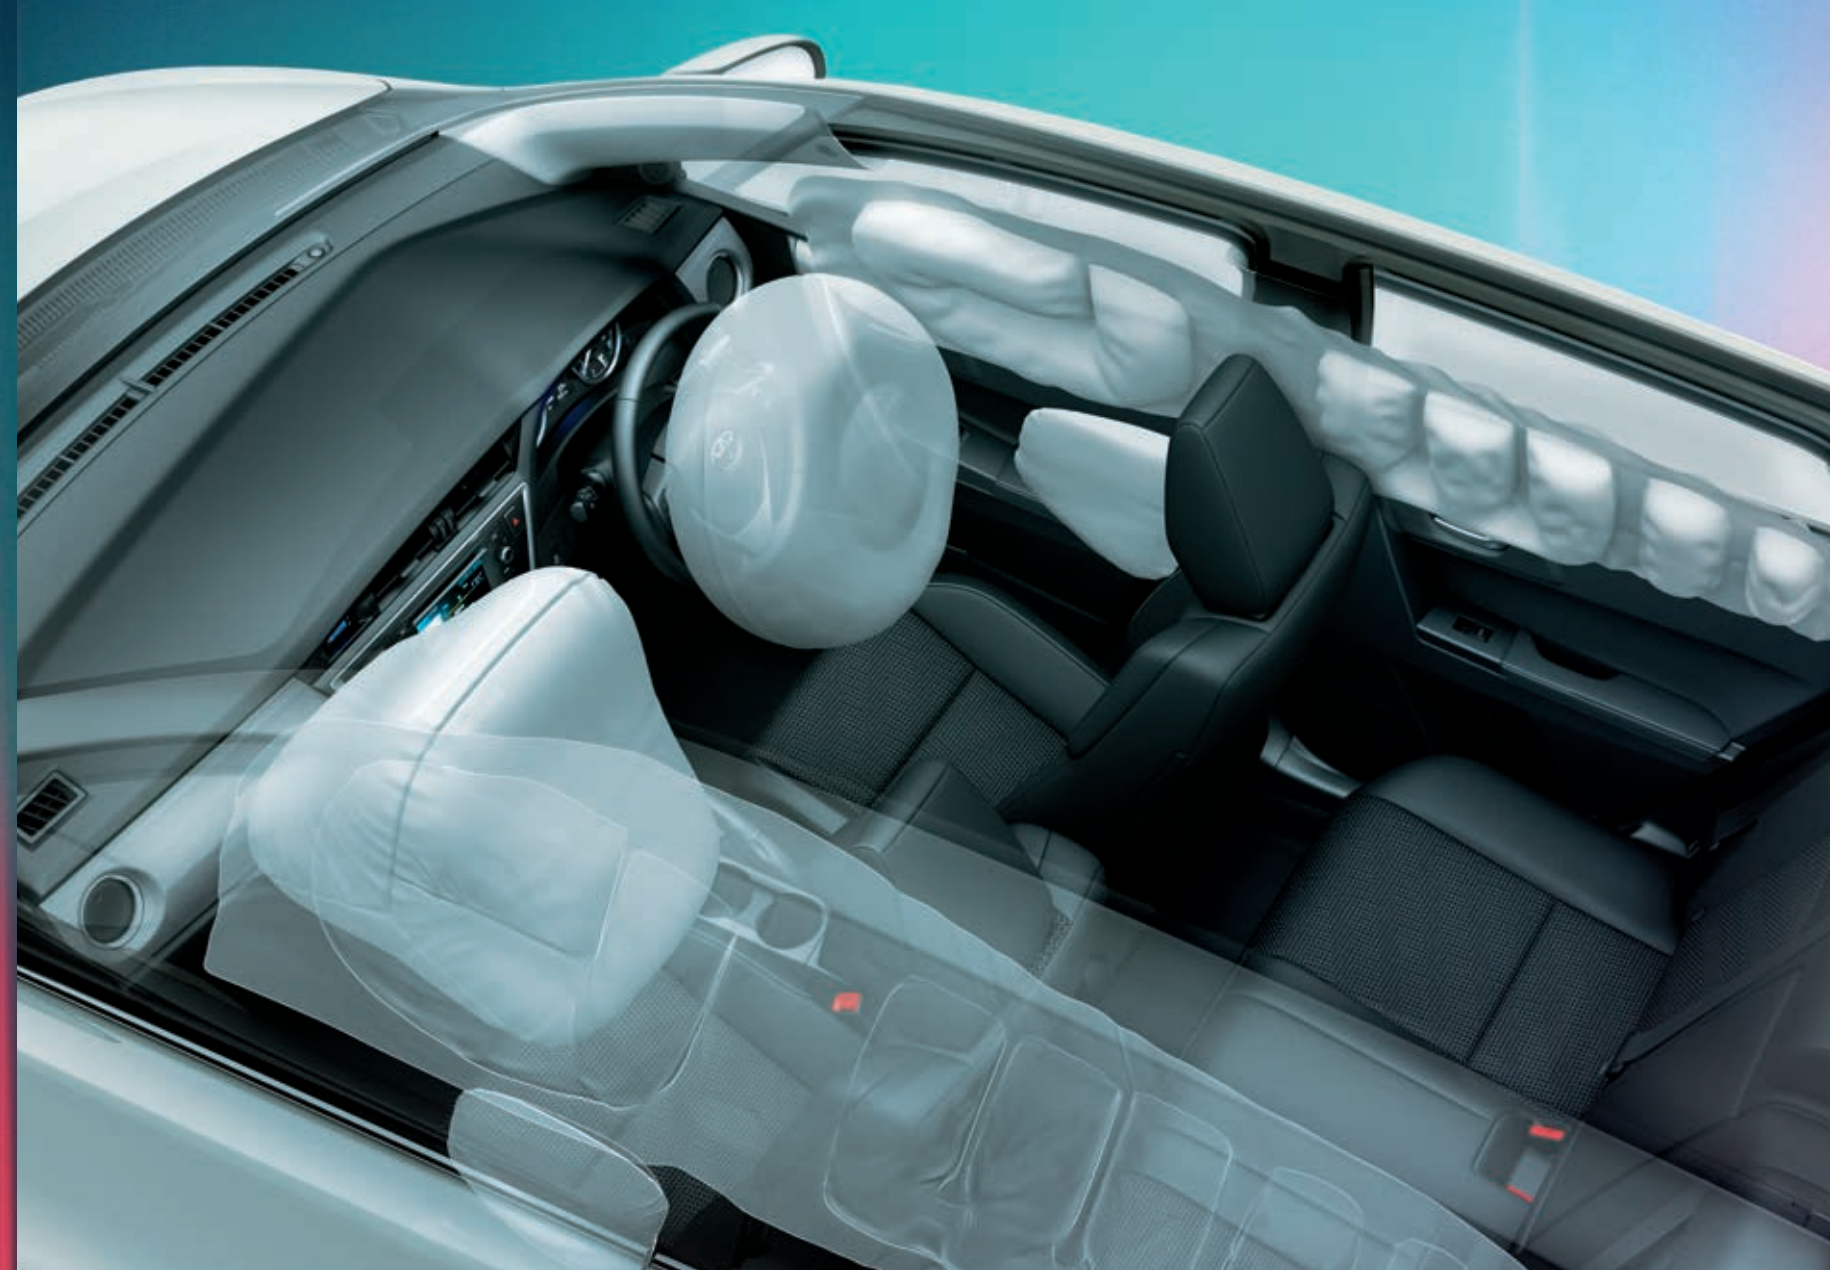

② **Brake Assist (BA)** detects when you attempt an emergency stop, and applies extra brake pressure. This enables ABS to work to its full potential.

③ **Vehicle Stability Control (VSC)** activates individual brakes and controls engine output to help prevent skidding when cornering on slippery surfaces.

④ **Traction Control (TRC)** automatically reduces engine power and controls brake force if you accelerate too hard. This helps to restore traction.

⑤ **Hill-start Assist Control (HAC)** helps to ensure a smooth start on steep inclines by applying the brakes for up to two seconds after the brake pedal is released. This prevents the vehicle from rolling back. It is activated by pushing the brake pedal harder after stopping, as long as the transmission shift lever is in any forward gear position.

⑥ **Supplemental Restraint System (SRS)** includes seven airbags, comprising a driver's knee airbag, SRS airbags for both the driver and front passenger, side airbags for the front seats, and SRS curtain shield airbags covering both the front and rear seat passengers.

OPTIONS*

SKYVIEW PANORAMIC ROOF

It's called Skyview for a good reason. An option on the Auris[§], this is one of the longest panoramic roofs in its class.

A sense of space and light are arguably the greatest luxuries in a car's interior – take a seat in the Auris and see for yourself. All that light illuminates a

host of details that lift the interior well above the ordinary. The result is a more enjoyable and spacious driving experience.

PROTECTION PACK

You'll want to keep your new Toyota in showroom condition – the cost-effective Protection Pack contains all the essential items you'll need.

1. Mud flaps

The design minimises water, mud and stones spraying onto your car's body. Includes front and rear.

2. Boot liner

Made of plastic with raised edges to be water- and mud-resistant.

3. Scuff plates

The polished aluminium finish introduces a compelling detail to your car's interior.

4. Rear bumper plate

With a tough, good-looking polished steel finish to protect bumper paintwork when loading or unloading the boot.

* Options should be ordered in conjunction with vehicle.

[§] Icon *plus* and Excel only.

OPTIONS*

Accessory pack products are available individually. Please ask your Toyota retailer for details.

Side sills
A dash of chrome skilfully integrated along the side panels.

Chrome pack[§]

The look is style, sophistication and attention to detail. The Chrome pack's side sills, trunk garnish and rear bumper plate combine to emphasise the sculpted contours of your Auris or Auris Touring Sports.

* Options should be ordered in conjunction with vehicle.

§ Pack available for Auris and Auris Touring Sports.

Bumper protection plate
With a polished steel finish for great looks and tough paintwork protection.

Rear trunk garnish
The stylish chrome finish highlights your car's distinctive rear-end design.

Image shown with optional rear protection plate.

PARKING PACK

The Auris is wonderfully easy to park. Even so, when space is tight, you'll find the guidance given by the Toyota parking aid system a big help in avoiding accidental scrapes.

Depending on your car's specification, you can add sensors to the front, rear, or front and rear bumpers. These link to in-car warning beepers that become progressively more frequent the closer your vehicle gets to an obstacle. Conveniently, the system can be switched off when you don't need it.

Cancellation switches
A dashboard switch allows the Toyota parking aid system to be turned off when it is not required. For instance, you can turn off the rear system when towing a trailer and turn off both the rear and front systems when driving bumper-to-bumper in slow traffic.

ACCESSORIES

Our range of accessories gives you the creative flexibility to add special touches to your car, each item having been designed to complement and enhance your car's features.

The Auris turns heads wherever it goes. These accessories can build on that sporty appeal with a choice of 16" and 17" wheels, a distinctive rear skirt or chrome exhaust.

- 1. Orion alloy wheels**
A modern 16" design in anthracite, with a machined alloy face. (Only on Active and Icon grades.)
- 2. Rear skirt**
Sports-inspired design in black mica colour. (Hatchback only.)
- 3. Chrome exhaust finisher**
The chrome-finished oval shape has been uniquely created for the Auris. (Hatchback only.)

- 4. Chrome boot trim**
A dash of chrome to highlight your car's distinctive rear-end design.
- 5. Side sills**
Finished in chrome and shaped to emphasise the Auris side-panel styling.

- 6. Side mouldings**
Side-panel styling and protection against minor damage. In black or painted to match your car.
- 7. Bumper corner protectors**
Ideally positioned to guard against accidental scrapes. For the front and rear, and in black or painted to match your car.

- 8. Duo Plus restraint seat**
For children between 9 months and 4 years (approximately 9 to 18 kg). Equipped with an ISOFIX fitting system.

- 9. Kid and Kidfix restraint seats**
Height adjustable for children between 4 and 12 years (approximately 15 to 36 kg). The Kidfix model is equipped with an ISOFIX fitting system.

ACCESSORIES

Ski box

Thule Motion 800 – gloss silver (also in gloss black)

For those big snow holidays
Thule ski boxes have been custom-designed to exactly the right length, shape and capacity for securely carrying all your winter sports accessories.

Thule Motion 800
Dimensions: 205 cm L x 84 cm W x 45 cm H
Internal volume: 460 litres
Maximum roof weight: 75 kg*
Holds: 5–7 pairs of skis, 4–5 snowboards
Weight: 21 kg

Features

- Open from both sides for easy loading and unloading.
- High security multi-point central locking system.
- Grip-friendly key cannot be removed until all the locking points are closed.
- Fits Toyota crossbars.
- Internal straps for securing the box contents.
- Made of colour-fast UV-resistant ABS plastic.

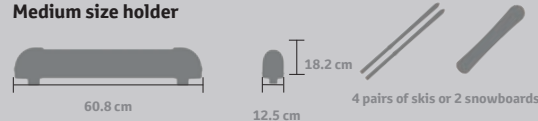

Ski and snowboard holders

Large ski and snowboard holder

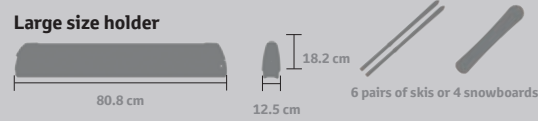

Simply load and go
The holders install easily and lock securely onto Toyota crossbars so you can quickly load skis and snowboards whenever the inspiration takes you.

Medium size holder

Large size holder

Features

- Weight: 3.20 kg medium, 4.20 kg large.
- Skis secured between soft rubber for grip and to prevent damage.
- Central locking system for maximum security.
- Push release for easy opening with gloved hands.
- Large holder slides to the car side for easy loading and unloading.

Luggage box

Thule Pacific 200 – silver grey

Just right for families
For jackets and dresses, shorts, shoes and playthings: a Thule luggage box is perfect to carry all you need for those big family holidays and weekends away.

Thule Pacific 200
Dimensions: 175 cm L x 82 cm W x 45 cm H
Internal volume: 410 litres
Maximum roof weight: 75 kg*
Weight: 14 kg

Features

- Opens from both sides for convenient loading and unloading.
- High security multi-point central locking system.
- Grip-friendly key cannot be removed until all the locking points are closed.
- Fits Toyota crossbars.
- Internal straps for securing the box contents.
- Made of colour-fast UV-resistant ABS plastic.

* When installed on your car, the maximum allowable weight is 75 kg including the weight of the box and the weight of your crossbars.

Bicycle holders

Rear-mounted multi-capacity Toyota bicycle holders ensure safe transportation while making it easy to switch to pedal power the moment you arrive. The clamp-mounted rear holder is a universal solution that attaches to all genuine Toyota towing hitches. The Easy Click holder fits directly to a Toyota towing hitch or can be mounted with a stand-alone bicycle bracket for hybrid vehicles that do not have a towing capacity.

TECHNOLOGY

Toyota Hotspot

As the name suggests, Toyota Hotspot gives you internet access and effectively turns your car into a mobile hotspot. Simply load the Toyota Hotspot box with a SIM card of your choice and, as long as you're in a 2G/3G area, you'll have instant access to the internet and all the web has to offer.

The Toyota Hotspot connects up to five WiFi-capable devices including laptops, tablets, smart phones and game systems and also enables in-car interaction between them. Importantly, the Toyota Hotspot is wired into your car battery system to ensure constant power supply.

**Digital Radio***

Upgrades your Auris to receive Digital Audio Broadcasting allowing access to a host of stations with crystal-clear results. Simply select the correct channel, find your station and enjoy, whether you're close to home or miles away.

This applies to those models without Toyota Touch® 2.

**Bluetooth™**

Bluetooth®*
Connect a compatible mobile phone using Bluetooth® to enjoy safe hands-free operation when answering your phone, plus the ability to stream music through the car's audio.

This applies to those models without Toyota Touch® 2.

* Active only.

IN - CAR ENTERTAINMENT

Nextbase in-car entertainment systems
In partnership with Nextbase, Toyota is able to offer two exciting new products that will keep your rear seat passengers entertained.

Nextbase dual screen DVD entertainment package

A complete DVD in-car entertainment system that includes:

- Two smart Piano Black 9" DVD screens mounted firmly to the headrests of your Toyota
- Inclusive set of wireless headphones for both rear-seat passengers
- Features Click&Go mounting system for simple removal of items when not in use

Nextbase iPad2® mounting system

If you already have an iPad2®, you can turn it into an in-car entertainment centre with the help of Toyota's iPad2® mounting system.

- Click&Go recharges and powers your iPad2® the moment it's clicked into place
- Sturdy, simple-to-fit mount attaches to the rear of the front seat headrest
- Wireless headphones mean the driver won't be disturbed

PRACTICAL ACCESSORIES

Dog guard
The durable mesh design is perfect as a dog guard to stop your pet climbing over the back seats. It can also be used to prevent stacked luggage tumbling into the passenger area.

Only available on Touring Sports.

Boot separator
Working in tandem with the dog guard to maximise your carrying flexibility, the boot separator can divide the boot space for two dogs, a dog and luggage or to separate different types of luggage.

Only available on Touring Sports.

OWNING YOUR NEW AURIS

Servicing your Toyota

Toyota Fixed Price Servicing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your car based on the car's age, mileage and service history.

For more information visit toyota.co.uk/service

Service Plans

Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

For more information visit toyota.co.uk/service

Toyota Fixed Price Repairs using Genuine Parts

We offer fixed prices on a number of repair items for your Toyota giving you peace of mind when it comes to managing costs. Also don't forget we only use genuine Toyota parts, all of which come with at least 12 months' warranty (some even offer unlimited mileage warranties); and your car will always be dealt with by a trained Toyota Technician.

For more information visit toyota.co.uk/repairs

MyToyota

This is a new and unique online Toyota customer portal that keeps track of everything you need to know about your car. You can sign up to **MyToyota** at toyota.co.uk/mytoyota. Once you're up and running you can benefit from MOT and service reminders, access your car's service history and obtain details for your Toyota Roadside Assistance alongside much more information about your car.

Toyota Rewards

Another benefit of signing up to **MyToyota** is access to Toyota Rewards. We've teamed up with big brands such as Virgin Holidays, Ticketmaster, Superbreak and many more to give you special offers on things you'll like doing and places you'll like going to in your Toyota.

Toyota Accessories

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Tailor-made for your Toyota, they fit perfectly and add a personal touch of style, comfort and practicality. Also, because they've been tested under the most severe conditions, you can have complete confidence in their reliability and durability. To add to the reassurance, every genuine Toyota accessory has a 5-year warranty when purchased together with the vehicle.

For more information visit toyota.co.uk/accessories

Toyota Roadside Assistance

When you buy a Toyota you will automatically receive 12 months' AA Roadside Assistance in the UK and Europe, free of charge; after the first year it is just £66 a year.

For more information visit toyota.co.uk/roadside

5-Year Toyota Warranty

Every new Toyota comes with a 5-year/100,000-mile (which ever comes first) manufacturer's warranty, covering you against the unlikely event of a manufacturing defect causing a mechanical fault.

For full details, please ask your official Toyota Centre or visit toyota.co.uk/5yearwarranty

Corrosion Cover

The 12-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 12-year period.

Rust and Paint Cover

The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault.

Toyota Extended Warranty

You have the choice of either the unlimited mileage cover or the low-user option that restricts you to 10,000 miles per year. You also have a choice between 12 and 24 months' cover (subject to vehicle eligibility). The 24-month option will show a saving over two 12-month Toyota Extended Warranty policies and is available with the low-user option at 10,000 miles per year over 24 months.

The Toyota Extended Warranty can be renewed until the vehicle is eight years old, and if a part covered by the Toyota Extended Warranty suffers electrical or mechanical failure at any time during the term, Toyota is committed to fixing it. You don't pay for replacement parts or labour.

For more information visit toyota.co.uk/extendedwarranty

Toyota Motor Insurance

Toyota Motor Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

Flexible Finance from Toyota Financial Services

All our plans offer easy budgeting and peace of mind and **AccessToyota** brings these benefits together in one flexible package.

Toyota Financial Services, Great Burgh, Burgh Heath, Epsom, Surrey, KT18 5UZ.

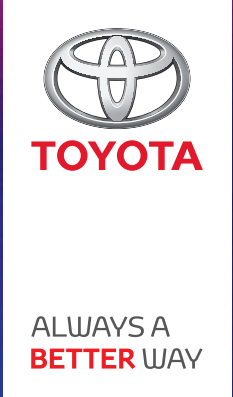

Finance subject to status to over 18s only. Indemnities may be required. Terms and conditions apply.

TFS is authorised and regulated by the Financial Conduct Authority.

Point your smartphone or webcam at the graphic and experience the Auris right now.

TO EXPERIENCE THE AURIS OR FOR MORE INFORMATION, PLEASE CONTACT YOUR LOCAL TOYOTA CENTRE OR VISIT OUR WEBSITE
TOYOTA.CO.UK/AURIS

While every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. This brochure cannot be regarded as infallible (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification. Fuel-consumption values quoted throughout this brochure are determined according to EC Directive 1999/100/EC. The results do not express or imply any guarantee of actual fuel consumption. For the latest specification and availability, we ask that you contact your local Toyota Centre.

The use of the term 'Toyota Accessories' should not be taken to imply that the products on the accessory pages are actually manufactured by the Toyota Motor Corporation or Toyota (GB) PLC. The After Sales Division is continually updating and changing specifications of accessories and reserves the right to do so at any time without prior notice.

Help

Using the navigation bar

A navigation bar is provided at the bottom of each page of this e-brochure to make browsing it easy. Please follow the simple instructions to navigate through this e-brochure.

Takes the document back to the beginning.

This will take the document to the previous page.

This will take the document to the next page.

This will allow the Acrobat toolbar to be visible if pressed once and it will also make it disappear if already visible.

This will save the whole document to your computer.

This will zoom in on the document so smaller text etc will be easier to read. To zoom in further, click the icon again. If the menu bar is not visible then use your mouse by clicking the left hand button and moving it.

This will zoom out of the document. To zoom out further, click the icon again. If the menu bar is not visible then use your mouse by clicking the left hand button and moving it.

This will print out the full brochure to your printer. Please note that if you have a colour printer this document will print in full colour.

To close this document press esc and then close the document normally.

Whilst every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. This e-brochure can not be regarded as infallible, (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle of specification. For the latest specification and availability we ask that you contact your local Toyota Centre.
